

## Italian Speaking Recruitment Consultant

- 2 impieghi

Regno Unito

Categoria: Specialisti di personale e sviluppo di carriera

Descrizione: Recruitment Consultant – Italian Speaking 1. Permanent and Full Time position 2. Full training given 3. Good basic + uncapped commission 4. Based in EC1 5. Good career prospect We have two excellent opportunities for experienced Bi-Lingual Recruitment Consultants to join our successful Pharmaceutical recruitment company based in Central London. The successful applicants will join an established & thriving team with existing clients & a strong work stream. We are looking for; 1. Italian Speaking Recruitment Consultants There is full training and support given to enable each new employee to become a successful consultant and to build a strong reputation within their given region. Company Recruiting throughout Europe we are a specialist Pharmaceutical and Biotechnology Recruitment Agency. We identify, attract, recruit and retain key individuals for business critical positions predominantly using executive search methodology. Working within specific geographical areas our team of multilingual consultants and researchers support clients & engage candidates in their language of origin. With this level of local cultural understanding & specific knowledge of each region we can more easily identify, engage & leverage key professionals into hard to fill roles. The candidate 1. You will have previous work experience & will be happy working in a fast paced & target driven environment. 2. You will be a strong communicator with good problem solving capability. 3. You will also take the necessary pride in your work to deliver a best in class service. The role Broadly speaking the role will involve the search, engagement and selection of highly qualified pharmaceutical professionals for open vacancies with our existing clients. This involves identifying appropriately qualified people and engaging with them to market our clients positions in a way that specifically appeals to each person. There is also an opportunity to market our services to new clients. The role involves a lot of calling and relationship building within the Pharmaceutical sector. To apply Email your C.V. and covering letter.
