The International Placement Services (ZAV) are member of the European Employment Services network EURES – we place our services at your disposal without charge!

We are looking for a new team member with university degree and professional experience in

- **AUTOMOTIVE ENGINEERING**
- **MECHATRONICS**
- **ELECTRONIC ENGINEERING**
- **MECHANICAL ENGINEERING**

for the region of Baden-Württemberg

Baden-Wuerttemberg the economic power house in the heart of Europe.

Neighboring France and Switzerland, the region is a center for innovation and technology. Beautiful landscapes and variety of cultural offerings makes the state in the south-west of Germany a great place to live. Successful social integration is an everyday routine. With people from 170 different countries, Baden-Wuerttemberg has the most foreign employees in Germany. Will you be the next?

Your profile:

- **COMPLETED UNIVERSITY DEGREE** in one of the fields mentioned above plus initial work experience
- **EXCELLENT GERMAN LANGUAGE SKILLS**
- **EXCELLENT ENGLISH LANGUAGE SKILLS**
- Sound knowledge of **CATA V5** and/or **Siemens NX**
- willingness to start with a practical term (durations to be negotiated lays between 3 and 6 months)
- willingness to work in Germany for at least two years

further desirable:

- driver's licence category B (car)

Employer offers:

- a varied range of interesting tasks in vehicle development
- permanent contract will be offered after the trial period
- integration in a highly specialised team
- support in finding accommodation and integration
