

European Social Innovation Competition

An initiative of

Q1. Project Name (max 10 words)

Q2. What is the main problem you are trying to address?

Please tick only 1 box. If "other" please specify

- Increasing the number of unemployed people who move into work
- Increasing the earnings of un- or under-employed people
- Increasing the employment of disadvantaged or marginalised groups (e.g. young people, over 50s, people with disabilities, working mothers)
- Increasing the number of people becoming self-employed or starting their own businesses
- Other – PLEASE SPECIFY

Q3. Please describe your idea (max 200 words)

Please provide a clear summary of what your idea is and why it's relevant including where it will take place and who will be involved.

Q4. Tweet your idea! (max 140 characters)

Please explain your idea in Twitter style. Be aware that this paragraph may be used to publicize your idea on social media.

Q5. Please tell us why you believe your idea is innovative in a given context. Alternatively, if your idea is based on something that already exists, explain how your idea differs to this. (max 200 words)

Q6. How will your idea have an impact? (max 200 words)

Please explain how your idea will have an impact on moving people towards work or creating jobs? What is it about your idea that will achieve this?

Q7. At what scale will your idea operate initially and how do you think it can be implemented in another region or EU Member State in the future? (max 200 words)

Please describe the kind of potential you feel your idea has in order to be implemented/replicated in at least another region or EU Member State. We are not expecting fully worked up plans, just a sense of your aspirations for the idea in the longer term.

Q8. How do you think your idea could be sustained over the next three years? (max 200 words)

Please explain how you think your proposal can be sustained over a period of time. We are not expecting you to have a full plan for this yet. We are interested in what type of ideas you have to make sure that your idea continues to have big impact in the coming years on tackling unemployment.
