Mansione	<p>Job Title YfEj 4.0 - Nurses - Infermieri di Emodinamica</p> <p>Ref. N° 20160104735 Company InHealthGroup Job Title YfEj 4.0 - Nurses - Infermieri di Emodinamica Total Vacancies 5 Description Cardiac Nurse £ 25.700 - £ 28,500 Full Time – 36 hours per week (Mon-Sun shift pattern)St Peter’s Hospital, Chertsey An exciting opportunity has arisen for a Cardiac Nurse based in St Peter’s Hospital, Chertsey. For over 20 years InHealth have been a leading provider of diagnostic and healthcare solutions for NHS and private patients through the UK and Ireland. Due to the inclusion last year of our Primary PPI service, we are looking to increase our team of cardiac nurses at St Peter’s Hospital. The new InHealth cardiac unit at St Peter’s Hospital opened two years ago and is fully equipped to undertake a full range of interventional procedures with a superb patient pathway for both day case and inpatients. The unit boasts two state of the art Siemens labs as well as a ten bed day ward adjacent to the labs and CCU. Company Benefits: <ul style="list-style-type: none"> • Relocation Support Service to source tenancy for overseas employees • 27 days holiday + 8 public holiday • Private Medical Insurance with BUPA • Pension • Paid NMC renewal fee • Enhanced Maternity & Paternity pay • Additional flexible benefits You will carry out a diverse and broad range of procedures including but not limited to □ Angiograms Primary and routine PCI Electrophysiology and Ablation Simple and complex device implantations The unit also boasts a wide range of diagnostic and therapeutic imaging techniques including □ OCT □ IVUS □ FFR (Pressure-Wire) Rotablation We are looking for someone with previous acute clinical experience (medicine, A/E, ITU for example) who is seeking a new challenge in an interesting and varied role to work in the lab and day ward. Though previous experience in a cardiac setting would be beneficial it is not a requirement as full competency training will be given. InHealth can offer you much more than a career.. We can offer you the opportunity to do something you love, with the right support to access the roles you want, through clear career paths and best-in-class training and development. This is an environment where you have accountability for your career and are able to make a real contribution to the organisation and to our patients. We are very proud to hold a gold Investors in People accreditation, and proud that our people say that InHealth is a great place to work, with excellent packages and rewards for achievement. . The team consists of committed, driven individuals who are passionate about delivering outstanding patient care. We offer a highly competitive salary and a generous flexible benefits package, including private medical insurance, childcare vouchers, cycle to work and gym membership schemes. In addition, we are committed to offering on-going investment and support in professional development, creating a natural career path to Senior Cardiac Nurse.
