

Traineeship call for applications

Trainee support to the EIT

Directorate & Administration/ Innovation, Education and Communication/
Knowledge and Innovation Communities Departments

EIT (Budapest)

Ref.: EIT/TR/2022/17

The European Institute of Innovation and Technology (EIT) is an independent EU body set up in 2008. We enhance Europe's ability to innovate by nurturing entrepreneurial talent and supporting new ideas. Our mission is to:

- Contribute to the competitiveness of Europe, its sustainable economic growth and job creation by promoting and strengthening synergies and cooperation among businesses, education institutions and research organisations.
- Create favourable environments for creative thoughts, to enable world-class innovation and entrepreneurship to thrive in Europe.

The EIT is an integral part of Horizon Europe, the EU's research and innovation programme running from 2021-2027. Horizon Europe promotes excellence and provides valuable support to top researchers and innovators to drive the systemic changes needed to ensure a green, healthy and resilient Europe.

The EIT is launching a call for application for its traineeship programme for a period of six months for an intake beginning of 2023¹. The trainee will support the daily operations of the Directorate & Administration; Innovation, Education & Communication; and the Knowledge and Innovation Communities Departments at the EIT.

The place of employment will be Budapest, where the EIT Headquarters are located. For the case of the Communication & Engagement Unit, the Liaison trainee will be assigned to work from the EIT Liaison Office in Brussels, Belgium.

More information about the EIT and its activities can be found on: <http://eit.europa.eu>.

What does the traineeship offer?

- ✓ EU knowledge – insights into policies and processes of EU bodies;
- ✓ Hands-on experience – an opportunity to play a part in the EIT's day-to-day operations and contribute to its exciting mission as a key player in the European Innovation arena;
- ✓ Opportunity to put knowledge and skills into practice, but also develop them further.

¹ According to the rules governing the traineeship scheme of the EIT, a traineeship is offered for a period of 6 months. The traineeship may be extended once for a further period of 6 months, under exceptional and duly justified circumstances. More information is set out in Article 13 of the Rules Governing the Traineeship Scheme of the EIT.

What do we expect from you?

- ✓ Interest in current European affairs;
- ✓ Willingness to learn about the EIT and innovation in Europe;
- ✓ Contribution to our everyday work with fresh insights;
- ✓ A proactive and creative attitude.

1. The job profile

The trainee will work in one of the EIT's six units within the departments indicated below, based on the below job profile descriptions.

Applicants are invited to indicate clearly in their application (in the motivation letter of the application) which profile(s) they wish to apply for. More information on how to submit an application can be found in section 3.1 below.

1. Directorate & Administration:

1.1 Directorate

The EIT is looking for a trainee ideally with knowledge in the area of EU policies related to the activities of the EIT. The trainee will support the Directorate in its administrative tasks and projects as well as in its day-to-day operations. The trainee will also have the opportunity to develop a project during the traineeship together with his/her trainee peers.

Trainee assignment

- Provide support in the day-to-day administrative tasks and activities of the Directorate;
- Provide support in activities related to strategic planning, governance, management and legal aspects of the EIT;
- Support the Internal Control Coordinator in following up open audit recommendations;
- Support the Directorate in the effective representation of the EIT's interests in external relations.

The assessment of applications will be based on the following criteria:

- Knowledge in EU policies or EU law (either gained through studies or initial work experience) is considered an advantage;
- Knowledge in public administration (either gained through studies or initial work experience) is considered an advantage;
- Studies or initial work experience in an international or multicultural environment is considered an advantage;
- Excellent written English is essential.

1.2 Administration Unit

The EIT is looking for trainees to work in any of the following sections in the Administration Unit according to the trainee's area of knowledge: Finance, Procurement & Logistics, Human Resources or IT. The selected trainee will be assigned to any of these sections to implement the portfolio of their tasks.

Trainee assignment

- Provide support in projects and tasks in the area of Procurement, including but not limited to support to preparation of tenders, preparation and classification of procurement documentation etc;
- Provide support in the implementation and completion of logistics-related tasks;
- Provide support in preparing budgetary and financial reports and analysis;
- Preparation and classification of financial, accounting and budget documentation etc;
- Provide support in HR activities such as recruitment, performance and career, learning and development and individual staff entitlements in line with the Staff Regulations;
- Contribute to drafting and updating rules, decisions, policies and procedures related to staff matters and governance;
- Provide support in the implementation and completion of information & communication technology (ICT) related projects and tasks;
- Support the content update on the intranet space of the Administration Unit and its sections;
- Archiving and filing as well as other general administrative tasks as required.

The assessment of applications for all areas will be based on the following criteria:

- Knowledge in any of the following areas (either gained through studies or initial work experience): Finance management, Human Resources, Procurement, ICT, Logistics, is considered an advantage;
- Studies or initial work experience in an international or multicultural environment is considered an advantage;
- Excellent written English is essential.

Behavioural skills common to all profiles in the units above:

- Very good Interpersonal and communication skills;
- Ability to take initiative;
- Excellent writing skills;
- Ability to work well in teams, particularly in a multicultural team.

2. Innovation & Education, Communication & Engagement

2.1 Innovation Ecosystem Unit

The EIT is looking for a trainee in the area of strategy and impact to support its activities for the development of EIT strategies and policies. The trainee will support the Innovation and Education Officers in managing the key pillars of the Knowledge and Innovation Communities (KICs) including

Cross-KIC activities and EIT coordinated initiatives (like HEI Initiative² and Deep Tech Talent Initiative³) and dedicated grants. The selected trainee will be assigned to any of the following sections to implement the portfolio of their tasks:

Innovation Capacity Section: Manages foremost the Innovation portfolio, the Business Creation portfolio, Women Entrepreneurship and Leadership Activities, the EIT Regional Innovation Scheme (EIT RIS) and EIT Global Outreach and coordinates cross-KIC initiatives and related synergies.

Entrepreneurship Education Section: Manages foremost the entrepreneurial education portfolio, such as EIT Label assessments, EIT Label Action Plan,, the EIT HEI Initiative, the Deep Tech Talent Initiative and cross-KIC education activities together with related synergies.

Trainee assignment

- Contribute to the development and implementation of activities enhancing the EIT's impact on education and entrepreneurial skills; in particular to provide support in developing the EIT Label model, in executing annual EIT Label assessments;
- Contribute and provide support to the development and implementation of the new initiative to support the entrepreneurship and innovation capacity building of European higher education;
- Contribute to the development of the EIT's innovation and business creation agendas
- Support in performance assessment of KIC Business Plans and Reports in the areas of education, business creation and innovation.
- Contribute to daily administrative management of the EIT led activities as well as the development and implementation of its specific activities including communication and visibility aspects (website and social media content creation, management)
- Contribute to the development of relevant strategy papers and concept notes incl. background research;
- Provide support in activities related to the implementation of the EIT Regional Innovation Scheme (EIT RIS);
- Provide support in activities related to the implementation of the EIT's bilateral Memoranda of Understanding;
- Contribute and provide support to the development and implementation of events, meetings and workshops of the Unit;
- Provide support in the administrative tasks and activities of the unit in the day-to-day monitoring of operations.

The assessment of applications will be based on the following criteria:

- Knowledge in education and/or entrepreneurship and/or innovation policy, innovation systems or innovation management (either gained through studies or initial work experience) is considered an advantage;
- Initial work experience in providing support to projects, including experience with event organisation, is considered an advantage;
- Studies or initial work experience in an international or multicultural environment is considered an advantage;
- Excellent written English is essential.

² <https://eit-hei.eu/>

³ <https://www.eitdeeptechtalent.eu/>

2.2 Communication & Engagement Unit

The EIT is looking for a trainee to provide support within the areas of External Communications and Public & Community Affairs. As a trainee in the Unit, you will be supporting our work in raising awareness about the EIT's activities and opportunities offered, by developing engaging campaigns to reach our audiences and managing relations with both external stakeholders i.e EU Institutions, EU Member States etc., and members of the EIT Community (EIT Alumni, EIT KICs).

Communication Section: The Communication Section is responsible for EIT's external Communication actions and particularly the following areas: relations with press & media, development of compelling and engaging content and materials, management of digital media (EIT website and Social Media), EIT branding and messaging and dissemination of results and good practices from the EIT Community.

Trainee assignment

- Creating and uploading content to the EIT website;
- Provide assistance in the monitoring of press reviews and contribute to the weekly EIT newsletter;
- Provide assistance in furnishing background information through desktop research;
- Provide support in drafting compelling content and support the drafting of press briefings, articles and reports;
- Assisting with event communications and organisation;
- Provide support to the planning and development of social media content to engage target audiences and spread awareness across EIT social media channels;
- Providing support in dissemination activities and particularly regular updates of the EIT Knowledge Center;
- Provide assistance in the preparation and distribution the EIT newsletter.

The assessment of applications will be based on the following criteria:

- Knowledge of digital communications tools such as social media channels (either gained through studies or initial work experience) is considered an advantage;
- Knowledge of Microsoft Office in particular Word and PowerPoint (either gained through studies or initial work experience) is considered an advantage;
- Studies or initial work experience in an international or multicultural environment is considered an advantage;
- Excellent written and spoken English is essential.

Public and Community Affairs: The Public & Community Affairs Section is responsible for EIT's engagement with priority stakeholders, both internal and external and particularly the following areas: institutional and strategic relations, relations with EU Member States and Horizon Europe Associated Countries, relations with the EIT Alumni, event organisation (including EIT's flagship event INNOVEIT), support to EIT Ambassadors (EIT Governing Board Members and EIT Management Team). The EIT Liaison Office in Brussels is integrated in the Section, therefore the trainee may be assigned either in Budapest or Brussels for the traineeship period.

Trainee assignment:

- Provide assistance in the monitoring of relevant EU policies, EU institutional websites, and overall positioning of key EIT stakeholders in the areas of EIT's work;

- Provide assistance in developing background documents and reports through desktop research and analysis;
- Provide support in drafting briefings and developing presentations supporting EIT Ambassadors in their speaking engagements;
- Provide support in the management of the Secretariats supporting the EIT Member State Representatives Group (MSRG) and the Network of EIT National Contact Points (NCPs);
- Provide support in the management of relations with the EIT Alumni Network;
- Support the preparation and organisation of meetings and conferences; attend meeting and prepare reports and minutes thereafter.

The assessment of applications will be based on the following criteria:

- Knowledge of the EU Institutions, EU policies, in particular, EU innovation policy and decision-making processes (either gained through studies or initial work experience) is considered an advantage;
- Very good understanding of public affairs processes (either gained through studies or initial work experience) is considered an advantage;
- Very good drafting and analytical skills ;
- Studies or initial work experience in an international or multicultural environment is considered an advantage;
- Good knowledge of French is considered an advantage;
- Excellent written and spoken English is essential.

3. Knowledge and Innovation Communities

3.1 Grant Implementation Unit

The trainee will support the Programme Officers and the Grant Assurance Officers in managing the portfolio of Knowledge and Innovation Communities (KICs) in the grant cycle and related contracts. The Unit is responsible for the multi-annual Grant Implementation following the EIT Funding Allocation to the existing KICs as well as actively contributes to the setting up of new KICs in the framework of the Start-up Grant Agreement, including development of methodologies and guidelines and contribution to other strategic documents.

The selected trainee will be assigned to any of the following sections to support implementing the portfolio of their tasks:

Grant Assurance Section: Ensures compliance of grants provided to KICs of the EIT with the provisions stipulated in the Horizon Europe Framework Programme for Research and Technological Development, and EIT specific rules. In particular, the section contributes to the financial assessment of KIC grant proposals and their amendments, assessment of the legality and regularity of the financial statements provided by KICs and eligibility of the costs declared. The section closely cooperates with external auditors and follows up on ex ante and ex post audit reports (e.g. Certificates on the Financial Statements).

Programme Management Section: Manages foremost the Funding Allocation (assessment of Business Plans and other grant proposals submitted by the KICs), the implementation of actions and assesses the Grant Reports (performance assessment) for 8 Knowledge and Innovation Communities, as well as responsible for the start-up grant management of the newest KIC. Programme Officers are responsible for the different waves of KICs and are managing the EIT-KIC relations operationally (programme management). The section is also responsible for the transition to the European Commission eGrants

system and centralises the EIT Call Coordination resulting in EIT Grants (KICs Business Plans, Cross-KIC grants and Higher Education Institutions (HEI) grant).

Trainee assignment

- Provide support to the transition to Horizon Europe programme and the implementation of EIT Call Coordination resulting in grants;
- Contribute to the financial and operational management of KICs, such as assessment of KIC Grant Proposals and Grant Reports;
- Provide assistance in the management and improvement of the EIT knowledge management systems;
- Provide support to the analysis of the outcomes, KPIs and deliverables from the KICs;
- Provide support in sharing best-practice and results of the EIT and KICs activities;
- Provide support in the administrative tasks and activities of the unit in the day-to-day operations.

The assessment of applications will be based on the following criteria:

- Knowledge of EU funds, grant management and project management (either gained through studies or initial work experience) is considered an advantage;
- Good analytical and numerical skills are considered an advantage;
- Studies or initial work experience in an international or multicultural environment is considered an advantage;
- Good MS Office skills (Excel, Word) are considered an advantage;
- Excellent spoken and written English is essential.

3.2 Supervision and Monitoring Unit:

The trainee will support the Programme Officers and Monitoring&Evaluation Officers in fostering and monitoring the development of the Knowledge and Innovation Communities (KICs) in the context of the EIT-KIC Agreements, and in the improvement of overall governance as well as management and control systems of the EIT and KICs. The selected trainee will be assigned to any of the following sections to implement the portfolio of their tasks:

Supervision Section: The section is contributing to the efficient and effective implementation of the process leading to the EIT Governing Board (GB) Decision on the maximum financial allocation to the KICs. Moreover, in line with the GB's Supervision Framework of the KICs, monitors how the KICs achieve the results and impact expected closely following the implementation of the EIT Impact Framework, how the KIC is progressing towards financial sustainability.

Monitoring and Evaluation Section: The section is developing monitoring plan and overseeing its implementation, as well as leading on certain monitoring assignments, in particular in the areas of KIC governance structures, KICs' project selection and portfolio management. Furthermore, it is conducting periodic reviews and evaluations on KICs in accordance with the requirements in the legal framework.

Trainee assignment

- Provide support to the transition to Horizon Europe programme and the implementation of Call for Grants;
- Contribute to the efficient and effective implementation of the process leading to the EIT Governing Board (GB) Decision on the maximum financial allocation to the KICs including.

- Contribute to the organisation of the EIT GB hearings, including support to the high-level strategic challenges document and other briefing materials.
- Support the assessment of Business Plan proposals.
- Support provided to KIC review processes.
- Provide assistance in the implementation of the EIT monitoring strategy;
- Provide support to the improvement of overall governance as well as management and control systems of the EIT and KICs;
- Provide support in assessing KICs' progress towards financial sustainability;
- Provide support to the analysis of the outcomes, KPIs and deliverables from the KICs;
- Provide support in sharing best-practice and results of the EIT and KICs activities;
- Provide support in the administrative tasks and activities of the unit in the day-to-day operations.

The assessment of applications will be based on the following criteria:

- Knowledge of EU funds, grant management and project management (either gained through studies or initial work experience) is considered an advantage;
- Studies or initial work experience in an international or multicultural environment is considered an advantage;
- Good MS Office skills (Excel, Word) are considered an advantage.
- Excellent spoken and written English is essential.

The assessment of applications (in order to be placed on the shortlist) will be based on the application submitted by the candidate. Please clearly indicate in the motivation letter of your application:

1. Which profile(s) you wish to apply for;
2. How you meet the criteria for the profile(s) you wish to apply for and how you have applied the above behavioural skills in your educational and/or work experiences so far.

2. Requirements: Eligibility criteria

2.1 Nationality

Candidates shall be selected from nationals of the Member States of the European Union (EU)⁴, the Member States of the European Economic Area (EEA), the European Free Trade Area (EFTA)⁵, and from candidate countries⁶. In addition, a limited number of nationals from countries other than those listed above can also be accepted but should not exceed 20% of the total intake of trainees for the year. Candidates from countries other than those listed above in particular should explain in their motivation letter how they will contribute to the EIT's objectives.

⁴ Nationals of Austria, Belgium, Bulgaria, Croatia, Republic of Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain and Sweden

⁵ Norway, Liechtenstein, Iceland and Switzerland

⁶ Albania, Moldova, the Republic of North Macedonia, Montenegro, Serbia, Turkey, Ukraine and any other future candidate countries once officially accepted by the EU.

The EIT is supporting those Ukrainian residents (recent graduates and young professionals) affected by the war in Ukraine, therefore their applications are also encouraged.

2.2 Qualification

Candidates must have completed, by the closing date for applications, the first cycle of university education and obtained a full degree or its equivalent (Annex I of the Rules governing the Traineeship Scheme of the EIT).

Candidates must provide copies of diplomas (or of relevant official certificates), of all university or post-university studies declared in their application. For declared ongoing studies an official declaration from the relevant university must be provided.

Applicants whose university or post-graduate diplomas are not issued in one of the official EU languages must provide a translation of these documents into English, the working language of the EIT. If recruited for a traineeship, presentation of all diplomas declared and, if applicable, official certified translations will be required.

2.3 Languages

To fully benefit from the traineeship and to be able to follow meetings and perform adequately, being the working language of the EIT, candidates must have very good knowledge of English corresponding to at least level B2 as defined by the CEFR⁷ (Council of Europe's Common European Framework of Reference for Languages).

Candidates will be required to provide the appropriate justification (i.e. diplomas, certificates, proof of having studied in the language in question, etc.) regarding the knowledge of languages declared on the application form, other than the mother tongue.

2.4 Other conditions

Applicants are required to have a general behaviour compatible with the security requirements of the EIT⁸ and to be physically fit to perform the tasks.

2.5 Prior employment

The EIT wishes to offer to as many people as possible the opportunity of in-service training. Therefore, traineeships are only open to candidates who have not:

- benefited already or benefit from any kind of traineeship (formal or informal, paid or unpaid) within a European Institution or body (Annex II of the Rules governing the Traineeship Scheme of the EIT); or
- had or have any kind of employment within a European Institution or body, delegation or representation office, including anyone who is or has been an assistant to a Member of the European Parliament, an intra-muros consultant or researcher, a temporary staff member, a

⁷ <https://europa.eu/europass/en/common-european-framework-reference-language-skills>

⁸ Prior to the appointment, the successful candidate will be asked to provide a criminal record extract confirming the absence of any criminal record.

contract staff member, an auxiliary staff member or an interim staff member of any EU Institution, body, delegation or representative office;

- had or have any paid or unpaid traineeship, or have had employment or other contractual relationship with the existing Knowledge and Innovation Communities (i.e. the legal entity and partners of EIT Digital, EIT InnoEnergy, EIT Climate-KIC, EIT Health, EIT Raw Materials, EIT Food, EIT Manufacturing, EIT Urban Mobility).⁹

Candidates shall inform the EIT of any change in their situation that might occur at any stage of the application process.

2.6 Conflict of interest of applicants

Applications will be rejected if it is established that the applicant is in one or more of the following situations of conflict of interest:

- the applicant had or has prior employment as listed above;
- the applicant is a close family member of an EIT staff member or an EIT Governing Board member;
- the applicant is in any other situation that could cast doubt on his/her ability to participate in the traineeship, or that could reasonably appear to do so in the eyes of an external third party.

3. The Selection process

3.1 How to apply

Please consult the **Guide for Applicants** on the EIT website at <https://eit.europa.eu/collaborate/careers> which contains detailed instructions to help you submit your application correctly.

Only applications submitted through the EU CV Online system¹⁰ will be accepted.

To apply, you must register in the EU CV Online system via the link provided on the EIT website, and follow all instructions concerning the various stages of the procedure. Candidates are kindly invited to complete their application in English (the working language of the EIT), in order to facilitate the selection procedure. **Before applying, you should carefully check whether you meet all the eligibility criteria.**

Candidates should clearly state in their application (in the section, 'letter of motivation') for which of the announced traineeship opportunities or profiles they are applying.

⁹ In case of designation of further EIT Innovation Communities by the EIT Governing Board, this rule shall cover those EIT Innovation Communities as well.

¹⁰ The EU CV Online, managed by the European Commission, is the tool used by the EIT for recruitment purposes. Instructions of use can be found on the EIT's Guide for Applicants, on the EIT website.

Please clearly indicate in the motivation letter of your application, how you meet the criteria for the profile you wish to apply for and how you have applied the above behavioural skills in your educational and/or work experiences so far.

It is your responsibility to complete your online registration in time. We strongly advise you not to wait until the last few days before applying, since heavy Internet traffic or a problem with the Internet connection could lead to your online registration being interrupted before you complete it, thereby obliging you to repeat the whole process. Once the deadline has passed, you will no longer be able to register.

On completion of your online registration, you will receive on screen a registration number, which you must note. Once you receive this number, the registration process is finished. This will be your reference number in all matters concerning your application. Please note that if you do not receive a number, your application has not been registered.

An acknowledgement of your application will be sent to the e-mail address indicated in your application. It is your responsibility to verify that you provide the correct e-mail address.

Please note that only the candidates selected for a traineeship will receive notification.

Deadline for applications: 31 Dec 2022 (13:00 CET)

3.2 Admission to the selection procedure

The eligibility check is completed by the EIT HR which draws up a list of candidates to be considered. Based on this list, the pre-selection is carried out by a Committee made up of EIT staff. Applicants are selected on the basis of motivation, qualifications and/or experience as reflected in their CV and motivation letter. The work of the Committee is confidential and its decisions are final.

The final selection is made by the EIT Director and relevant Head of Units (depending on the profile indicated by the candidate) based on the list of applicants shortlisted. Shortlisted candidates may also be selected for profiles that they may wish to be considered for following their placement on the shortlist. In addition, shortlisted candidates may be required to undergo an interview at the EIT or by phone/Skype. The final selection is confirmed by the EIT Director.

The shortlist will be valid until **31 December 2023** and may be extended based on the budgetary and organisational needs of the EIT.

3.3 Recruitment procedure

Successful applicants are informed by email of the dates of the traineeship and the list of final documents they should provide prior to commencement of the traineeship.

Recruited trainees are obliged to provide any forms and certificates required by the EIT HR at the time of their recruitment. They are responsible for ensuring that they have the valid documents to enter and stay in Hungary during the traineeship, where applicable, and that they obtain all the documentation required by the authorities of the country in which they are employed/residing.

Applicants can only be offered a single contract for a given traineeship period. Applicants who decline a contract offer will be excluded from the on-going procedure. They may re-apply for a subsequent traineeship by submitting a new application, together with all supporting documents.

If an application is unsuccessful at any stage of the application process, depending on the reason for rejection, a candidate may re-apply for a subsequent traineeship. It is, however, necessary to submit a new application, together with the requested supporting documents. Please note that only the candidates selected for a traineeship will receive notification.

Trainees may not be recruited if a conflict of interest might occur, irrespective of the candidate's prior professional experience or nationality.

The keeping of files respects Regulation (EU) 2018/17251 regarding personal data, whether the applications gave rise to recruitment or not.

3.4 Other important information

The text of this Call for applications contains all the information required. Nevertheless, if you have further questions, please contact the EIT via traineeship@eit.europa.eu, clearly mentioning the reference of the Call for applications and the nature of your request. The full text [the Rules governing the Traineeship Scheme of the EIT](#) can be consulted at the EIT website.

4. General information

4.1 Equal opportunities

The EIT applies a policy of equal opportunities and accepts applications without discrimination on any grounds.

4.2 Selection committee

A selection committee will be appointed to carry out the evaluation of applications to this vacancy. Please note that the Selection Committee's internal proceedings are strictly confidential and that any contact with its members is strictly forbidden and may lead to disqualification from the selection process.

4.3 Approximate timetable

The selection process may take a few months to be completed; further information about the status of the procedure will be published on the EIT website. The traineeship is foreseen to start in the beginning of 2023.

4.4 Conditions of employment

Trainees will be awarded a monthly grant. The net amount of the traineeship grant based on current salary adjustments is 1,143.95 EUR for Budapest¹¹ and 1,503.22 EUR for Brussels¹².

The traineeship programme is for a period of six months. The traineeship may be extended once for a further period of 6 months, under exceptional and duly justified circumstances.¹³

Sickness and accident insurances are compulsory and the EIT does not provide such coverage. Trainees must take out these insurances and proof of the coverage must be presented to EIT HR prior to the start of the traineeship period.

Upon presentation of the proper justification, disabled trainees may receive a supplement to their grant equal to a maximum of 50% of the amount of the grant.

Recruited trainees will receive the following fixed travel grant to contribute to their travel expenses between the place of recruitment and place of employment:

- 300 euros, where the place of recruitment is in an EU member State;
- 400 euros, where the place of recruitment is outside of the EU.

Trainees whose place of recruitment is less than 50 km from the place of employment are not entitled to a travel grant.

The trainee must complete a minimum of 3 months of the traineeship period to qualify for the travel grant and submit a self-declaration confirming the place from where they are recruited along with the proof of travel (i.e. boarding pass/flight ticket, train ticket, when traveling by car- petrol receipts/motorway payment).

Trainees whose contracts are extended shall not benefit from an additional travel grant.

Grants awarded to trainees are not subject to the special tax regulations applying to officials and other servants of the European Union. Trainees are solely responsible for the payment of any taxes due on EIT grants by virtue of the laws in force in the country concerned. A certificate for tax purposes will be provided at the end of the traineeship period. This certificate should state the amount of grant received and confirm that tax and social security payments have not been made.

4.5 Protection of personal data

As the body responsible for organising the competition, the EIT ensures that applicants' personal data are processed as required by Regulation (EU) 2018/17251 of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data, and repealing Regulation (EC) No 45/2001 and Decision No 1247/2002/EC (hereinafter "the Data Protection Regulation of the European institutions").

¹¹ This estimate currently includes a correction coefficient of 75.7% for Hungary, which is adjusted every year. The grant can be paid in Euro or in the local currency: Hungarian Forint (HUF).

¹² The level of the monthly traineeship grant will be adjusted annually in line with the salary adjustment applicable to the remuneration of EU officials, normally as from 1st January of the following year without retroactive effect.

¹³ More information is set out in Article 13 of the rules governing the traineeship scheme of the EIT.

For more information concerning the protection of personal data, please consult the privacy statement (Annex III of the Rules governing the Traineeship Scheme of the EIT).
