

## MECHANICAL TECHNICIANS IN SWITZERLAND

### JOB DESCRIPTION:

EURES – Agenzia Piemonte Lavoro is looking for n. 2 MECHANICAL TECHNICIANS for prototype construction for a mechanical engineering company with development, design and manufacturing departments, that develops, produces and markets products in the field of railway technology. The company also offers the necessary knowledge and infrastructure as a service to other companies.

The mechanical technician will be in charge of the mechanical production and assembly of prototypes, and small series are the core tasks of the company workshop for mechatronics. The activities involved are correspondingly varied and demanding.

### SKILLS:

- Higher technical school/vocational training school in polytechnic or tool mechanic;
- +2 years' previous experience;
- Be able to operate CNC and conventional machines
- Knowledge of CAD, Mastercam CAM and ISO NC CODE
- Excelent knowledge of English and German languages (at least level B2) and good knowledge of French (at least level A2);
- Driving licence B.

**PLACE OF WORK:** Brügg (BE), Switzerland

### WORK CONDITIONS:

- Salary: Minimum 45.600 eur/annual (gross salary) according to experience;
- Contract: permanent contract, full time (42 hours per week);
- The company provides accident insurance and assistance with travel and accommodation.

### HOW TO APPLY:

If you are interested in this position, E-mail your CV & Cover Letter **in English** to [eures@agenziapiemontelavoro.it](mailto:eures@agenziapiemontelavoro.it) before 30/04/2023
