Ritual Massage is a consortium of high-end massage salons, recognized for their expertise in authentic Thai therapeutic massage. Our establishments, which include respected names such as Ritual Care Center, Klingtee Thai Massage, Sabai Massage Thai, Vita Massage, Lai Thai Massage and Ban Tiya Thai Massage, are pillars in the wellness industry.

Since our inception, our mission has always been to provide an authentic, high-quality massage experience while promoting health and wellness. We firmly believe in the therapeutic benefits of authentic Thai massage and strive to share this ancient practice with as many people as possible.

Our team is composed of highly qualified professionals passionate about their craft. Each team member is committed to providing top-quality care to our clients, creating a personalized and relaxing massage experience.

At Ritual Massage, we value professional and personal development. We offer a stimulating work environment conducive to learning, where each team member has the opportunity to hone their skills and advance in their career.

## 2. CARATTERISTICHE DELLA RICHIESTA

### PROFILO/I RICHIESTO/I

- European Nationality or EFTA member

Due to work permit restrictions, the candidate must be a citizen of a European Union country or a member of the European Free Trade Association (EFTA), which includes Iceland, Liechtenstein, Norway, and Switzerland. This condition is necessary to facilitate the work permit application process.

- Education and Experience

The candidate must hold a degree in Thai therapeutic massage from a recognized institution or must have at least 5 years of professional experience in giving authentic Thai massage. Experience in a high-end spa or salon environment is a plus.

- Language Skills and Integration

An acceptable level in French or English is required for this position. However, we understand that language skills can always be improved. If necessary, we are able to offer language training to enhance your French or English skills.

Regarding integration in Switzerland, courses on Swiss culture and customs can also be made available to help you understand the Swiss lifestyle and familiarize yourself with local social and professional standards. Of course, these resources are available if you feel they would be beneficial to your transition.

Knowledge of a third language would be a significant asset. At our establishment, we value linguistic and cultural diversity and are committed to supporting the ongoing professional development of our team.

- Excellent Interpersonal Skills

The Thai masseur/masseuse will be in direct contact with our clients. Therefore, they must be able to communicate effectively, create a welcoming and relaxing environment, and manage client expectations with professionalism.

- Commitment to Customer Service Excellence

We are looking for a candidate who is committed to providing exceptional customer service. This means being attentive to client needs, responding to their questions and concerns in a courteous and professional manner, and continually striving to exceed their expectations.

- Passion for Wellness and Health

The ideal candidate is someone who firmly believes in the health and wellness benefits of Thai massage. They should be eager to share this passion with our clients and contribute to their overall well-being.

#### **DESCRIZIONE DELLE ATTIVITÀ DA SVOLGERE**

As an expert Thai masseur/masseuse, you will be a key element of our team of dedicated professionals. You will be tasked with providing top-level authentic Thai therapeutic massages to our clients, adhering to the quality standards and excellence that our salons are renowned for.

Your responsibilities will include:

- Providing Thai therapeutic massage treatments

You will be tasked with performing authentic Thai massages, using traditional techniques to relieve stress, improve circulation, increase flexibility, and promote general relaxation.

- Assessing client needs

Before each session, you will need to assess the specific needs of each client in order to propose a personalized treatment.

This may include discussing health issues, identifying areas of tension, and recommending appropriate massage techniques.

- Maintaining a clean and safe environment

The safety and well-being of our clients are our priority. Therefore, you will be responsible for maintaining an impeccably clean and safe working environment.

- Continuous improvement of services and client experience

As a member of our team, you will work closely with your colleagues to continuously improve our services. This includes participating in training, learning new massage techniques, and contributing to the enhancement of the overall client experience.

- Promoting Health and Wellness
